ABOUT LABTECH INNOVATIONS™

DREAM IT, BELIEVE IT, ACHIEVE IT, WE WILL LEAD TOWARDS INNOVATION

Labtech Innovations provide educational research consultancy services. It is a venture of Labtech Innovation Educational Research and Welfare Foundation. Labtech Innovations is one of India's foremost and fast-growing professional associations for research, publication and conferences.

Its main aim is to bring a rapid technical revolution and sustainable development in educational research and research consultancy services. Labtech Innovations believe in the philosophy of perfection in their service that satisfies the client's expectation and needs through the expertise of our professionals in every domain.

LABTECH INNOVATIONS PRESENTS LABTECH EVENTS

Labtech Innovations specialize in organizing events and conferences that elevate the knowledge of attendees, spark inspiration, and connect them with like-minded individuals.

Our commitment to your growth is evident in the meticulously curated schedule we have created on our portal. The insights shared by research scholars at the conference will serve as a foundation for the attendees' research aspirations.

ABOUT CONFERENCE

We at Labtech Innovations are extremely happy to organize an International Conference on “Advances in Mechanical, Civil, and Industrial Engineering ” on 03rd-4th May 2025, at Labtech Innovations, Pune

The conference provides a standard forum for professors, research scholars, delegates, and students. It is an excellent platform to showcase their innovative ideas, research findings. This conference provides an opportunity to interact and share the experiences of experts’ knowledge.

SCOPE OF THE CONFERENCE

1. Advanced Materials and Manufacturing.
2. Thermal and Fluid Engineering
3. Robotics and Automation
4. Design and Analysis
5. Structural Engineering
6. Construction Engineering and Management
7. Geotechnical Engineering

OBJECTIVE OF THE CONFERENCE

1. Promote Knowledge Sharing
2. Foster Innovation
3. Enhance Collaboration
4. Support Professional Development

CALL FOR PAPERS

SESSIONS AND TRACKS

The purpose of this upcoming Advances in Mechanical, Civil, and Industrial Engineering conference is to let young and experienced researchers worldwide share recent innovations and breakthroughs in relevant fields. ICAMCIE-24 calls for abstract and full paper submissions relevant to the following topics (but not limited to).

TRACK-1: CIVIL ENGINEERING

1. Fluid Mechanics/ Hydraulics
2. Environmental Engineering
3. Impact assessment
4. Transportation Engineering
5. Construction Management
6. Quantity surveying and valuation
7. Industrial waste management

TRACK-2: MECHANICAL ENGINEERING

1. Quality Management & Assurance
2. Operation Management
3. Supply chain Management
4. Machine Design
5. Thermal & Fluid Power
6. Heat Transfer
7. Air conditioning

TRACK-3: MECHANICAL & MECHATRONICS ENGINEERING

1. Automation & Robotics Engineering
2. Electro Mechanical Engineering
3. Autonomous and Drone Technologies
4. Biomedical Mechatronics
5. Augmented Reality and Virtual Reality

TRACK-4: MATERIALS AND MANUFACTURING

1. 3D Printing Technologies
2. Advances in Manufacturing Processes
3. Advances in Material Research
4. Ceramics and Composite Materials
5. Environmental Friendly Materials
6. Formation and testing of materials
7. Friction and Wear of Materials

TRACK-5: THERMODYNAMICS AND FLUID ENGINEERING

1. Aerodynamics
2. Efficient thermal and fluid systems
3. Energy Engineering
4. Engineering thermodynamics
5. Experimental research in fluid engineering
6. Experimental research in thermal engineering
7. Fluid-structure interactions
